NEW NOTARIES—The secretary of state yesterday issued notary public commissions to D. M. Arnold of Chandler and H. L. Jones of Tempe.

ST. LUKE'S HOME—St. Luke's Home and the County Tuberculosis Hospital will be the beneficiaries of the free will offering of the members of the Woman's club yesterday afternoon. The tables were piled high with delicacies that will be distributed to the sick today.

HUNTED WITHOUT LICENSE—State Game Warden Willard yesterday reported the arrest of four hunters who were taken in tow by Deputy Warden Pettis near the Granite Reef dam for hunting without a license. The trials are to be held at Mesa.

NEW YEAR'S EVE BALL—The Cooke and Walters Union 621 will give its fourth annual ball in Paradise hall Friday evening, December 31. The arrangement committee is working hard to make it the most enjoyable of any of those given in the past, and the particular season in which it is given will be a great factor in adding to its success.

STOCK BOARD WILL MEET—A special meeting of the state livestock sanitary board has been called for to check this morning at which time some important questions will be discussed. The matter of inspecting the various herds in the state will probably be given some attention in the board, although the question of the state quarantine may come in for a share of the board's consideration.

LUNG MOTOR DIDN'T FEASE ART—When the local gas company yesterday afternoon desired to give a demonstration of their new lung motor to the police and fire departments at the city hall there had to be a victim in the demonstration, and after searching around for some time the demonstrators located Art Wilson, who said he would be a victim, during the demonstration at least. The machine was started working on Art, but it failed to resuscitate him. In fact it was tried three times, but it wouldn't "take" on Art like it probably would on most anybody else. The new apparatus was brought here by the gas company and is to be used in all cases where human life is in danger, either from the effects of drowning, inhaling smoke, asphyxiation or any other sort of trouble where the victim is in need of having new and fresh air forced into the lungs to start respiration. It is also said to be of use in cases of electric shock. All physicians of the city will have free use of the machine.

F. R. SULLIVAN IN NEW ROLE
Is Made General Manager of the Day When Los Angeles Traffic Association Arranges for An End of the Year Luncheon

Handled through the selection of F. R. Sullivan as general manager of the day, the Los Angeles Traffic Association expects to make a success of an end of the year luncheon, to be held at Christopher's in Los Angeles on Friday at 12:01 noon. Sullivan is responsible for the announcement that there will be "No Speaker, but a \$500 show for fifty cents," thereby burning his bridges behind him and leaving no loophole for his favorite pastime of impersonating a monopolist (Monopolist of conversation—Century Dictionary). There will be some assistant managers in the persons of G. J. Blech, (almost said Blech), A. M. Oliver, of Culverville, George Duncan, founder of the Ducks, and H. T. Perry, author of "Huckleberry Finn." Each of these admiral members and prospective members to "Leave your crab at home." About all the coast representatives of the railroads of the country, the majority of whom make Phoenix several times a year, will be the guests, who are directed to "Buy as you enter."

The program, well, it's a bear. Mine Zera will be there. There will be a vocal dance by the Pitchard sisters, a "Ghost Dance," a "Little Dutch," and Mrs. Gelada, Queen of the Oriental dancers. There's a whole lot more on the program but it will be just as well to leave the remainder to the imagination. Time was when Sullivan was known in Phoenix as "Sully." This was before the fatal day when he abdicated with an indignant newspaperman's bicycle, filled the fire full of mesquite thorns and left it standing on the busiest street corner in town. Since then peace officers and attendants from the Home for Feeble-Minded Railroad Commercial Agents, have been untiringly searching for MR. SULLIVAN. He sneaked into town one time since then between sundown and sunup and got away with a big trap but not a set and there isn't a ghost of a show for him to do it again. Outside of that Sullivan is alright.

CHARITY BALL—The second annual charity ball, given under the auspices of the board of visitors of St. Luke's hospital, will be held at the Woman's club building on the evening of January 6, 1916. "The proceeds of the affair will go to the funds of the St. Luke's hospital. Single admission tickets are sold for \$2 each, and tickets for couples are \$3 each.

APPOINTMENT OF MR. BULLARD—Former Attorney General Bullard has been appointed to the Arizona Eastern Railroad, Hon. Eugene S. Fox, chief counsel for the corporation with headquarters in Tucson has had Mr. Bullard associated with him several recent cases and in the last week the chief counsel appeared for Mr. Fox in two damage cases in which he gained judgment for the defendant corporation.

Ward, etc.

CREDIT TO MILITARIAN RESTORED—Colonel Harris has received word from Clifton to the effect that the Arizona Copper company have withdrawn their recent offer wherein they stated that they would refuse credit to the militiamen there. During the time that there was some question as to when, if ever, the state would be able to pay off the debt incurred by the issuing of the soldiers' scrip, the mercantile companies had been rather hesitant in accepting the credit business. Since the matter has been settled and the state has begun the payment of the scrip, the merchants have signified their intention of accepting all of the certificates tendered them.

COUNTRY CLUB MASKED BALL—Society will celebrate New Year's eve with a ball masquerade at the Country Club. While several of the members are planning clever costumes others will appear in business and still others are to wear the conventional evening gowns. It will also be the most picturesque, for there will be many quaint and fetching frocks worn, despite the fact that not all those who will enjoy the occasion will appear in costume. Innumerable dinners will precede the dance, which will be one of the most notable events of the year. The ball will be "ladies' day" at the club. A round robin tennis tournament is scheduled, starting at 10:30 o'clock this morning.
